

We are very happy with the services of MACJ Home Inspection as the MACJ team is very professional. Especially, Ms. Yamini is truly awesome. She and her team have done an excellent job of thorough inspection of our unit 1701 at Tower 7 and provided us a detailed inspection report of our unit. We definitely recommend MACJ to all home owners at Urbana before taking possession of the respective unit . Exceptional job!

Yamini also provided detailed explanations of each section of the report as we walked through the each area of the house that was mentioned in the report.

We hope that MACJ continue to provide the quality service that they have provided for our unit and wish MACJ will be the #1 home inspector in Kolkata.
